

All My Life - Free Grace Worship - 2013

VERSE 1:

The king of all creation saw a darkened world
And knew it needed light
He came and dwelt among us the blessed savior Jesus
To put all things right

PRECHORUS:

He sacrificed himself to show us love
He left his lofty throne to give us light

CHORUS:

All my life I will sing of Your great
Love that saved the day
You gave your life, paid the price so You could
Open up the way

VERSE 2:

He paid a sinner's debt so I could be made whole again
He carried all my shame
But three days later rose again
to show me that my life is in His
hands and now I'm changed

BRIDGE:

Your grace is all I need, Your love has covered me
I'll never be the same now that you freed me
Your grace is all I need, Your love has covered me
My hope is found in You alone
