Verse 1:

For the Lord is great, He's the God of all
The universe is in His hands, Beginning and the end

Verse 2:

He defeated sin, Death has lost it's sting
And now we have abundant life, because he died and rose again

Pre-Chorus:

Our hope has shone His light on us in love
The glory of His one and only Son

Chorus:

We shout it out to the one who saved us
We lift our praises
Now we're living in the life you gave us
Jesus, your grace is life
