

Greatest Gift - Free Grace Worship - 2013

VERSE:

You gave the greatest gift the world would ever know
A humbled sacrifice, you sent your only son
And he gave his life for me
Forgiven I'm set free

CHORUS:

Forgiver, leader, your my lord and my savior
Risen healer, i'll praise you forever
This gift you've given me is all i'll ever need
And you've shown me how to love, the love you gave to me
Because you gave your life for me
Forgiven I'm set free

BRIDGE:

I'm free, I'm free, indeed
Forgiver, leader, your my lord and my savior
Risen healer, i'll praise you forever
