

I'm Alive - Free Grace Worship - 2013

VERSE:

Covered by your grace covered by your blood
Through your son you broke the chains you gave it all for us
Now we know this hope now we know this love
Jesus Christ became all sin to give us righteousness

PRE-CHORUS:

It is not deserved or achieved
It cannot be earned only received

CHORUS:

Jesus Christ you died to conquer the grave
And now I'm alive forever changed
All because of your grace I'm alive

VERSE 2:

You made all things new you made all things right
When you sent your only son as the perfect sacrifice

PRE-CHORUS 2:

Freely justified by your grace
Now and forever we sing

BRIDGE

By Your grace I'm alive and I'm set free
You broke the chains when you gave it all for me
By Your truth now we live in victory
I am free
