

Victory is Here - Free Grace Worship - 2013

VERSE:

Your light is shining
The darkness trembles
All heaven shouts Your name
All tongues will shout out
Our King of glory
Forever will remain

CHORUS:

God is on our side and He is not afraid, not afraid
Victory is His and He will win the day,
Victory is here Victory is here

VERSE:

Your hand is wondrous
You formed creation
We praise you God of all
Your voice is glorious
It splits the oceans
And makes the mountains bow

BRIDGE:

Our God is alive
Our God is alive
Our God is alive
Our God is alive
